GUIDELINES

FAQ

Are the clothing/services swaps completely free?

Yes! We aim to create a completely free of charge platform. None of the traders on this site should be charging you for the swap. All swaps are also centralized by campus in order to eliminate transportation fees.

What if I don't want to accept a swap?

Can I swap with people from other campuses?

Can we trade non-clothing related goods and services?

Can we undo a swap after accepting?
